Book Orders – We have a class goal of spending \$200 on the September book order! This will allow the class to get 5000 bonus points with Scholastic, which equals more than 150 books for our classroom library. We only do this with the first order of the year because Scholastic offers such a great deal. You can send orders with your child to me with a check, money order, exact change, or use a credit card to order online. To order online go to www.scholastic.com, click on “Parents,” create an account, and enter for the class code **GNK26**. There are several catalogs to choose from. Plus, any time parents order online the class gets an additional \$3 to spend on books!

Open House – Open House will be on Wednesday, August 31th at 6pm. I hope to see you there!

Math Challenge – I'm impressed with the number of students choosing to stay in at recess and try the math challenge! They're doing a great job!

Homework – If the homework is taking your child more than one hour each night to complete then please let me know. The assignments are designed to give the students extra practice, not to take up the entire evening.

Math Vocabulary

multiplication, equation, factor (factors of 10 = 1, 2, 5, 10), multiple (multiples of 3 = 3, 6, 9, 12, 15...)
